CT Forum 2017

Sacta hosted its 3rd Annual Community Transport forum on Wednesday 14th June 2017, with the theme **“The State of the Sector”** which we believe to be very relevant, given the many changes happening in our sector, at both the State and Federal levels. With a great line-up of guest speakers, and a slightly different format this year, the feedback from attendees has been extremely positive (see page 2 for more information about the forum).

**THANK YOU
TO OUR
SPONSORS:**

**Gold Sponsor SOS/TMA Software:
Andrew Sturt**

Gold sponsor: SOS/TMA Software. Silver sponsors: Streetfleet, Unley Renault, Daimler Trucks & Les Braziers Special Vehicles. Bronze sponsors: Red Cross, Health Management Systems, Multicultural Communities Council of SA Inc and Routematch. COTA SA and the Independent Living Centre also attended, with trading tables at this year's Community Transport forum. The CT forum would not be possible without the support of our sponsors, thank you again to one and all.

“The Purple House” in Alice Springs donated this year's fantastic door prize : a selection of Bush Medicine products from the NT – the lucky prize winner was Gary Crook, District Council of Yankalilla. Congrats Gary, and thanks Sarah Brown, who presented the prize on behalf of “The Purple House”
