

## Community Transport Forum

### Theme: *connect-inform-promote*

We are pleased to announce that following the success of our inaugural Community Transport forum last year, *'From little things big things grow'*, we are hosting another forum on **Wednesday 18th May 2016 @ The Lakes Resort Hotel, West Lakes SA.**

Feedback from last year's forum was very positive:

- *Great networking links and learnt a lot about many new services, really enjoyed the day*
- *I will take away a lot that I can pass on to my team to ensure we work more efficiently with our clients*
- *I'd like to congratulate you on a FANTASTIC forum – the venue, food, speakers and information absolutely excellent! You got it right first time round – well done!*
- *Length very appropriate, location ideal, really well run: Fantastic day!*

The forum is open to anyone with an interest in Community Transport.

Examples of what's on offer includes:

- *the latest research from SA (benefits of free public transport for seniors)*
- *an update from the Chair of the Australian Community Transport Association*
- *the history of community transport from a CALD perspective*
- *a vision for the future of mobility in regional SA*

There will also be Trade Tables and Vehicle Displays on site, and plenty of time and opportunities to network .

To take advantage of the **Early Bird Offer** register before the 20th April 2016.

[Click here](#) to download a copy of the Forum Program and Registration Form.

*"Our belief is that Community Transport underpins all other services as part of a holistic wellness approach towards client care"*

#### Contents:

- Sacta CT Forum
- Updates from 2015 CT forum speakers:
